

# City of Bethlehem

## SNOW EMERGENCY ROUTES

During declared snow emergencies, parking is prohibited on key emergency routes to allow for the clearing of the snow from the roadway. The following lists of streets are designated as snow emergency routes and a schedule for determining which side **MUST** be cleared during a declared snow emergency. All vehicles not removed by 7:00 AM will be towed away at the owner's expense. Parking prohibition remains in effect until 7:00 AM on the following day.

*Example:* A car is parked in front of 402 N New St (East Side of New St) on Sunday night. A snow emergency goes into effect at 5 PM on Sunday Evening. The car parked in front of 402 N New St must be moved from its current location by 7 AM Monday morning or it will be towed. Parking prohibition remains in effect on that side of the N New St until 7 AM on Tuesday morning.
